AJITA DESHMUKH

ICT-Pedagogy Integration Specialist
MOOC developer, Speaker, Trainer
Podcaster , Scriptwriter,

I have a keen interest in **human-computer interaction.**
My expertise lies in **ICT-integrated pedagogy**. I strongly advocate for and develop innovative teaching methods - **incorporating games, art, storytelling** into education. My **research areas** are **Social Media, MOOCs and Open Education.** I prefer mixed-method and qualitative research, allowing me to comprehend insights beyond numerical data.
I have successfully led teams in the development of various technology-based educational projects in collaboration with both **Government and private agencies,** involving tasks such as **training, content development, educational app creation** among others.
