1st November– 15th December 2016

National Education Day

VGTTA Students celebrated "National Science Day" by expressing their thoughts on Education system with a Debate. They discussed present and past educational system. This lead them to understand and glance on 'pros' and 'cons' of both systems.

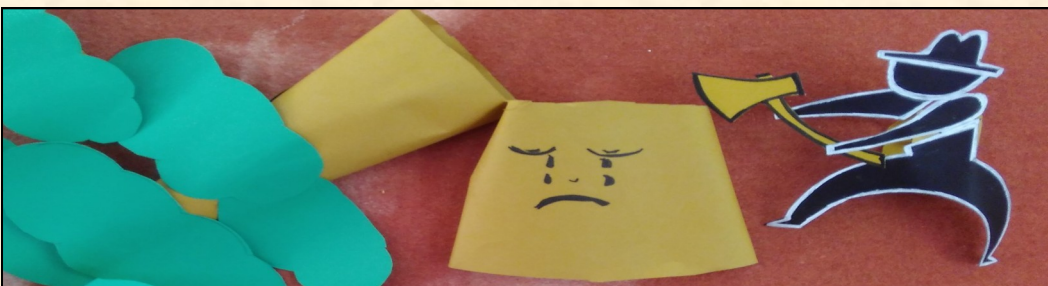

Gurunanak Jayanti & Children Day Celebration

Children staying at the campus were gathered together by 1st & 2nd year students. Sweets were distributed & games were arranged for children to have a happy time. The movie "Jungle Book" was presented along with short series of Cartoon shows of Disney. "The Ugly Duckling" made children to be engaged with curiosity and laugh. Gurunanak Jayanti also celebrated recalling his great sayings about humanity.

Teaching Aids Workshop

21st, 22nd & 23rd Nov. 2016, teaching aids workshop conducted to prepare suitable teaching aids for giving leaning experiences. Mrs. Vaishali & Mrs. Deepa from VGS CBSE School demonstrated aids with 2D & 3D effects. These aids were inexpensive & creative to deal content effectively. Mrs. Deepa dealt with coloring charts and small finger puppets. Students were amazed with the skill of experts with variations.

HEARTFULNESS MEDITATION

Meditation is the way to connect your body to the Heart & soul. Heartfulness Meditation is Scientific and delighting method of Meditation to clean your body, thoughts acting on it and helps you to bring inner peace. This methodology was explained by Mrs. Jayanti and her team. On 16th, 17th and 18th Nov. 2016 Mrs. Jayanti along with her team of experts demonstrated meditation technique and clarified doubts of students.

Onset of Kartik Ekadashi, VGTTA aspirants followed the principles of Swaccha Bharat. They visited Aalandi place & worked there to provide basic facilities to Warkaries. They also cleaned up the area of Ghat & assisted Municipal Corporation & Temple trust people. They directed Warkaries to lead towards their path & helped to maintain discipline. This **social service** lead them to get life skills better.

VISIT to Symbiosis Pastoral Care

VGTTA Students visited Symbiosis International School- Pastoral Care unit, to study inclusive classroom setup. Mrs. Deepa- coordinator gave useful information about handling different students to accommodate in general class as well as give special treatment whenever necessary. Student trainees observed different tools and techniques which led them to analyze & open up new ways to deal with such students.

Vishwajigyasa Extempore Competition Dec 2016

India is now reforming with various initiatives put forth by Hon. Prime Minister Narendra Modiji. One of such initiative is MAKE In INDIA. This theme is selected for Extempore Competition which provided clear insight of thoughts among young nurturing minds of today's Youth.
